

North Brevard Retired Educators

February NEWSLETTER 2018

It's time for AUCTION Action!!

Next Thursday, February 8, we will hold our annual fundraiser auction to benefit our scholarships. Rummage, sort, grow, bake, buy or make any heartfelt treasures that your fellow retirees will clamor for. You know it will be fun when North Brevard's most sought-after and only reasonably-priced auctioneer is in charge. Yes, our own Diana Barnhart will be banging the gavel and squeezing all the turnips dry - for a great cause! Bring lots of extra cash, practice raising your hand a lot, say "yes to the dress" (or toidy plunger, cookie cake, pillow, flashlight, or garlic peeler – whatever!) and bring an open heart and willing spirit. We need you, your goodies, and bids to make this a big success.

[May 23-25, 2018. FREA state convention, Hilton Altamonte Springs. Come join us!!](#)

March is our field trip to the new VA Hospital in Medical City! Jay has arranged for us to visit there and have lunch at the facility.

Here is a sneak preview if you are interested:

Please be thinking about your availability to drive over there (it's off the Greenway/417) at Lake Nona) so we can see how many cars we are going need to get everyone there.

Thanks for all you do for our group and community. I have a letter from the Boys and Girls Club that I know will help you feel properly appreciated.

Happy Valentine's! Happy February!
